APPLICATION**

Hon. Director of Patents and Trademarks

Sir:

A Petition to Revive was filed with the Petition Office in this case on or about April 9, 2002. It was just now observed that the petition as filed contained a date error in one respect.

In connection therewith, Applicants through their undersigned attorney state and truly aver per 37 CFR 1.137 (b)(3) that the entire delay in filing the required reply provided with the Petition from the date of abandonment July 6, 2001, namely three months after the first office action, until the Petition herein, was in fact unintentional

Respectfully submitted,
